**Part III: Significant Events/Situations(i.e., funding changes, financial outlook, and other) - insert additional rows as needed**

Began the implementation of Value Centered Management where the academic units are allowed to "earn" their tuition and fees and other units are funded by state appropriations. First year, all units are kept whole.

Performance funding has become a regular part of the Finance Division of the Commission on Higher Education.  
Treated as a process more than a legislative mandate because the state has no funding with over 10% in budget cuts in the past year.
